

**COMSTOCK FILMS OFFERS A NEW VISION OF COUPLES' SEXUALITY IN THIS GROUNDBREAKING SERIES OF EXPLICIT DOCUMENTARY-STYLE FEATURES OF REAL-LIFE LOVERS.**

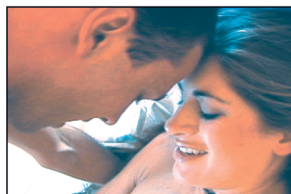

The one that started it all! Comstock Films' first feature, *Marie and Jack: A Hardcore Love Story* is a glimpse inside the private sex life of married adult stars Marie Silva (aka Aria) and Jack Bravo. Shot in revealing documentary style, the film offers an intimate look at Marie and Jack's physical and emotional relationship.

"Marie and Jack have the genuine chemistry and knowledge of each other's bodies to make this film sizzle. It starts slowly, with the couple discussing the intimate details of their love, before getting down and dirty."—Amy Braunschweiger, *Tango Magazine*

"I switched from the close-up camera to the camera showing them kissing, caressing each other's faces, cooing and whispering smiley sweet nothings, and back to the nasty stuff, and found myself enjoying my job all over again!"—Violet Blue, author, *The Ultimate Guide to Adult Videos*
